Annual Financial Statements for the year ended 31 March 2025

Directors' Responsibilities and Approval

The directors are required by the Companies Act of South Africa to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. These annual financial statements have been prepared in accordance with the IFRS for SMEs® Accounting Standard as issued by the International Accounting Standards Board (IASB®) and it is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards with regards to form and content and present fairly the statement of financial position, results of operations and business of the non-profit company, and explain the transactions and financial position of the business of the non-profit company at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the non-profit company and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the non-profit company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the non-profit company and all employees are required to maintain the highest ethical standards in ensuring the non-profit company's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the non-profit company is on identifying, assessing, managing and monitoring all known forms of risk across the non-profit company. While operating risk cannot be fully eliminated, the non-profit company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the financial statements. Based on forecasts and available cash resources the directors have no reason to believe that the non-profit company will not be a going concern in the foreseeable future. The annual financial statements support the viability of the non-profit company.

The annual financial statements have been audited by the independent auditing firm, RobertsChaplinKrona Inc, who have been given unrestricted access to all financial records and related data, including minutes of all meetings of the member, the directors and committees of the directors. The directors believe that all representations made to the independent auditor during the audit were valid and appropriate. The external auditor's unqualified audit report is presented on pages 5 to 6.

The annual financial statements set out on pages 7 to 14, and the supplementary information set out on page 15 which have been prepared on the going concern basis, were approved by the directors and were signed on 14 August 2025 on their behalf by:

Annual Financial Statements for the year ended 31 March 2025

Directors' Report

The directors present their report for the year ended 31 March 2025.

1. Review of financial results and activities

Main business and operations

The non-profit company objective is to control, manage and maintain all the properties within the area known as "Sibaya Precinct". There were no major changes herein during the year.

The non-profit company generated a deficit after tax for the year ended 31 March 2025 of R144,734 (2024: R113,169).

The non-profit company's revenue increased from R505,875 in the prior year to R1,037,484 for the year ended 31 March 2025.

The non-profit company's cash flows from operating activities changed from an inflow of R482,744 in the prior year to an outflow of R121,421 for the year ended 31 March 2025.

2. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

The directors believe that the non-profit company has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis.

The directors have satisfied themselves that the non-profit company is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements.

The non-profit company incurred a net deficit for the year ended 31 March 2025 of R144,734 (2024 deficit: R113,169). The non-profit company continues to incur losses.

3. Events after reporting date

The directors are not aware of any matter or circumstance arising since the end of the financial year to the date of this report that could have a material effect on the financial position of the non-profit company.

4. Directors' interest in contracts

To our knowledge none of the directors had any interest in contracts entered into during the year under review.

5. Directors

The directors of the non-profit company during the year and up to the date of this report are as follows:

GF Phillips

NP Slatter

R Naidoo

SJ Meyer

6. Independent Auditors

RobertsChaplinKrona Inc were the independent auditors for the year under review.

Independent Auditor's Report

To the Member of Sibaya Sub Precinct 5 Management Association (RF) NPC

Opinion

We have audited the financial statements of Sibaya Sub Precinct 5 Management Association (RF) NPC set out on pages 7 to 14, which comprise the statement of financial position as at 31 March 2025, and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Sibaya Sub Precinct 5 Management Association (RF) NPC as at 31 March 2025, and its financial performance and cash flows for the year then ended in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the requirements of the Companies Act of South Africa.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the non-profit company in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the document titled "Sibaya Sub Precinct 5 Management Association (RF) NPC Financial Statements for the year ended 31 March 2025", which includes the Directors' Report, and the statement of Directors' Responsibilities and Approval as required by the Companies Act of South Africa, which we obtained prior to the date of this report, and the supplementary information set out on page 15. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Directors: J R Cronje CA(SA), D G Pillay CA(SA)

7 Judges Avenue, Windsor, Randburg, 2195
Sucrose House, Old Main Road, Umhlali, KwaZulu-Natal, 4390 | PO Box 136, Umhlali, KwaZulu-Natal, 4390

RobertsChaplinKrona Inc | Company Reg No: 2016/512754/21 | Practice No: 994038

Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the non-profit company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the non-profit company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the non-profit company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the non-profit company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the non-profit company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Sibaya Sub Precinct 5 Management Association (RF) NPC

(Registration Number 2018/090797/08)

Financial Statements for the year ended 31 March 2025

Accounting Policies

1. General information

Sibaya Sub Precinct 5 Management Association (RF) NPC ('the non-profit company') objective is to control, manage and maintain all the properties within the area known as "Sibaya Precinct".

The non-profit company is incorporated as a non-profit company and domiciled in South Africa. The address of its registered office is 305 Umhlanga Rocks Drive, La Lucia, Durban, Kwa-Zulu Natal, 4051.

2. Basis of preparation and summary of significant accounting policies

The financial statements of Sibaya Sub Precinct 5 Management Association (RF) NPC have been prepared in accordance with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board and the Companies Act of South Africa. The financial statements have been prepared under the historical cost convention. They are presented in South African Rand.

The preparation of financial statements in conformity with the IFRS for SMEs Accounting Standard as issued by the International Accounting Standards Board requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the non-profit company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

The principal accounting policies applied in the preparation of these annual financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Financial instruments

Trade and other receivables

Most sales are made on the basis of normal credit terms and the receivables do not bear interest. Where credit is extended beyond normal credit terms, receivables are measured at amortised cost using the effective interest method. At the end of each reporting period, the carrying amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in surplus or deficit.

Trade and other receivables are classified as debt instruments and loan commitments at amortised cost.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown in current liabilities on the statement of financial position.

Trade and other payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest.

Other financial liabilities

Other financial liabilities are recognised initially at the transaction price, including transaction costs except where the liability will subsequently be measured at fair value.

Debt instruments are subsequently stated at amortised cost. Interest expense is recognised on the basis of the effective interest method and is included in finance costs.

Sibaya Sub Precinct 5 Management Association (RF) NPC

(Registration Number 2018/090797/08)

Financial Statements for the year ended 31 March 2025

Accounting Policies

Basis of preparation and summary of significant accounting policies continued...

Other financial liabilities are classified as current liabilities unless the non-profit company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

2.2 Tax

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the entity operates and generates taxable income.

2.3 Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is shown net of value-added tax, returns, rebates and discounts.

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction is recognised by reference to the stage of completion of the transaction at the end of the reporting period. The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the entity;
- the stage of completion of the transaction at the end of the reporting period can be measured reliably; and
- the costs incurred for the transaction and the costs to complete the transaction can be measured reliably.

Interest income is recognised using the effective interest method.

2.4 Borrowing costs

All borrowing costs are recognised in surplus or deficit in the period in which they are incurred.

3. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
